Institute in Dijon,
the [University of Burgundy](#) (Université de Bourgogne),
the [Sports Department](#) (UFR STAPS),
the [Inserm U1093 CAPS](#) laboratory,
have paid tribute to the works of [France Mourey](#), Lecturer, Researcher,
on the occasion of what had been announced to be her retirement party!

Researchers were there

Harris Papaxanthis, [Lionel Crognier](#), [Jérémy Gaveau](#), [Lucía Bracco](#)
and [Mélissa Bonnot](#), STAPS trainee, among others.

All of them confirmed that France had never been working on so many fronts as she is
now.

Moreover, as France's work has been much orientated towards
Therapeutic Tango for 12 years, many actors of the project

“Tango for Seniors”

also attended the event.

[Sylvana Yustino](#), singer, since the beginning of the adventure,

[Patrick Bullier](#), accordionist,

[Thomas Poucet](#), [Florencia Segura](#), [Marina Carranza](#), maestros formed by the [Dinzel](#)
method, and [Karla Velasco](#), dancer, among others.

At the Marey Institute, with Tango, in front of Scientists and Tangueros, France has
declared

“I still have things to do”

To be continued then, extended happiness of a shared adventure which will keep going ...

***In France and around the world, everybody is
starting to get ready for
The Tangueros Seniors Olympiads
from 26th July to 11th August in Dijon.***
