

Prof. Magdalini Tsolaki

Prof. Magdalini Tsolaki was born in Thessaloniki, Greece and studied Medicine and Theology at the Aristotle University of Thessaloniki (AUTH). Afterwards, she initiated her collaboration with AUTH in 1982 as scientific collaborator and a year later received her specialty as a Neuropsychiatrist and her PhD. She has been a Professor of Neurology since 2010, and currently she was the Head of the 1st University Department of Neurology (2017-2020).

She has founded the Greek Alzheimer Association in 1995 and the Greek Federation of Alzheimer's Disease (AD) in 2007, in which she is up to today the Chair, while also being the scientific director of two Public Dementia Units (founded by her in 2007 and 2009) for outpatients with neurodegenerative diseases and their caregivers.

Since September 2022 she is scientific director of a Public Unit of palliative care of patients with severe stages of dementia. The last seven years she was invited to join as a member the Greek National Observatory for Dementia. She has given more than 656 lectures throughout Greece. She has participated in more than 60 funded research programmes and 31 funded clinical trials. In total, she has received 73 awards.

Dr. Magda Tsolaki has been the main author of many Books (60), many abstracts in Greek (531) and International (489) Conferences, she is the first author or co-author in many Papers in Greek (285) and International Journals (589 – 480 in PubMed), (h-index: 96, IF=2573,395 and more than 42237 Citations in Google Scholar). She has participated as an invited speaker in more than 115 meetings-conferences in English and 256 in Greek Language. Furthermore, she has been a reviewer for Conferences and Journals (430) and has organised 27 national and 5 international conferences on AD. Finally, she was one of the three or seven advisory members for 35 doctoral theses-completed and 40 postgraduate theses.

Pr. Tsolaki is married with four children and ten grandchildren.
