TANGO FOR SENIORS

#06

Meeting of the week

Festival of Music, Father's Day On the dance floor, Gentlemen

Music must really have a special place in Life; it induces movement, dance, empathy. In Rosener House in San Francisco, Larry was the happy example of this.

He didn't want to dance, and it was Clarissa who convinced him! Steve, his son, wrote that, during the confinement, Larry walks 300 meters a day with his walker; and that he follows our exercises!

In France, this year, the National festival of music introduces Father's Day; so, it's time?

To share a tango with your elder ... is to give him the taste to sing, to move, to share,
to smile, to laugh and to live.

115 EHPADS now follow this tango project online!

However, in retirement homes, 3/4 of the residents are women; as are 90% of the staff.
The same goes for the publications of our online workshops, which are clicked on by an
audience of 82% women! Father's Day is a good opportunity to put gentlemen into Tango!

It is Antonio who sings, it is Paul who invites you to move; Thomas and Reza are
preparing for Tango. And Miguel, who's thrown himself in, demonstrates with brilliance that
it is possible!

It's to be watched, and to be watched again within the week.
Enjoy it Ladies, it's an online training of powerful dancers!

With all the team, we are preparing the 7th episode.

Lucie Rocher MBV Bellagardel, Toulouse

"The benefit was obvious and it was a joy to see the residents dancing and smiling at that moment, almost instantly. The speakers, dancers, musicians, the chocolates of "La Chocolaterie de Bourgogne", the Cassis (blackcurrant) Boudier are of high quality, which builds loyalty."
