New Year's Concert FOR THE ELDERLY

#13

*As a preview showing
We bring you
The Trio l'Amusette*

Concert especially dedicated to isolated people, hospitalized or in nursing homes, where we should have gone with our musicians and dancers, and all hospitals and other socio-medical places where we work ...

Birds, cuckoo, goldfinch and others; a Viennese melody with waltzes, polkas; a woman who loves soldiering, another who would love to dance ...

May this moment of music with the "Trio L'Amusette" entertain you and bring you, throughout 2021, joy and smiles!

We invite you to screen this concert in the common room of your establishment, in the rooms of your residents, in your families, in order to live a musical and convivial moment together!

Public broadcasting, via YouTube, will take place from December 31 ...
Your residents are, therefore, our privileged audience!
