The team will be defending the project "Tango for Seniors" before a jury.

7 minutes to convince ...

"The Caravan of Memory" is making its way,

Here comes the Happy Seniors' Ballad!

At MBV's

After the training given to 36 participants by Angela Nicotra in September
in Saint-Jean-de-Védas,

Here we go at MBV's for **130 workshops in 6 months**
in 9 places of the group,

from Montpellier to Caen, by the way of Toulouse, Aigues-Mortes or Rouen!

At ISATIS's

Here we go again at ISATIS' for **15 workshops** before the end of the year!

Welcome to **Clarissa Machado** and **Florencia Segura**,
fresh off the plane from Buenos Aires,
and both having been trained directly by the Dinzels!

Accompanied by **Pablo Guignoli**, bandoneonist,
They are taking over Sylvana and Thomas.

The three of them being fully vaccinated, of course!

At OSE's

The project is well settled at OSE's.

A presentation in Strasbourg will take place next month,
which will be the starting point of a **6 months project!**

And Marc Cohen, director of the Geriatric section at OSE,
has offered to accompany the project to Cannes, at the SilverEco Trophies !

And still ongoing at FEDOSAD Horizon's!
Here we go for the 79th workshop this Tuesday 19th October 2021.
Over 200 remain to convince of the power of Tango ...

Winners of the month
France Alzheimer 21

On 21st September, during **World Alzheimer's Day**
France Alzheimer 21 had set the scene on fire!

Seniors from the FEDOSAD and from the EHPAD de La Croix Violette in Brochon,
were able to share the Tango that ABB Reportages' project brings them with the public.

A shared happiness!

A great recognition for the initiators of the project who had all joined the party!

They said...

The benefits of Tango ?

It is topical in California,
in the heart of the Silicon Valley, in The Code Of Style Magazine!

Thank you to Julia Rees for this very good article.
