TANGO FOR SENIORS #26

The tangueros seniors wish you...

ALL THE BEST FOR 2022!

Whether they are in **Isatis** or **MBV** retirement homes, **OSE** day centers, in the facilities of **FEDOSAD Horizon, Brochon, Mailly-le-Château** or **Étais-la-Sauvin**, or even at the **Hospices Civils de Lyon**,

Seniors, caregivers, musicians and dancers keep on sharing Tango...

Face-to-face, online or in interactivity...

And the Inserm 1093 team of researchers analyze the benefits of this Music, Movement and Connection alchemy, under the supervision of France Mourey.

Vaccinated, tested, but optimistic, they are the spokespersons of these dynamics that have protected them, and that now allow them to convey, on behalf of us, the message of a Happy New Year 2022 ...

All made of Tango? Why not?

If you don't come to it, it will come to you ... To be continued!
